3. Union business or activities such as membership recruitment, campaigning for union office, hand-billing or other distribution of literature, drafting of information to employees about union business/activities, and all other union activities shall take place during non-work time. Employee rest and meal periods are non-work time for the purposes of this Article.

D. EMPLOYEE REPRESENTATIVES

1. The University shall recognize UPTE designated employee representatives who have been identified in accordance with the terms of this Agreement. The function of the UPTE designated employee representative is to inform employees of their rights under this Agreement, to ascertain that the terms and conditions of this Agreement are being observed, and to investigate and assist in the processing of grievances.

2. For the purposes of receiving paid release time as provided in this section, each campus/hospital/laboratory may have one UPTE-designated employee as UPTE designated employee representative (for example,

d. At its sole discretion, the University may authorize use of release time for more than the time limits provided in this Article. The exercise of this discretion and/or the enforcement by the University of the maximum time shall under no circumstances establish a precedent for the UPTE designated employee representative or department involved. Furthermore, the allowance of greater than the maximum time in a month for an UPTE designated employee representative shall not have any effect or bearing on the University's ability to enforce the maximum on any other UPTE designated employee representative.

e. Should a question of possible abuse of these release time provisions arise, the University will so notify UPTE, and the parties will attempt to resolve the matter. If a question remains, the University may take corrective action when warranted.
