The minimum increases identified on the matrix will utilize approximately 70% of the available allocation. In order to be eligible for the FY 2014 salary increase of October 1, 2013, an employee must be in the TX bargaining unit on September 30, 2013, eligible for an annual performance evaluation, and continue to be in the bargaining unit on the date payroll distribution is processed in HRIS. Retroactive pay increases for Fiscal Year 2014 will be implemented within one hundred twenty (120) days of wage agreement ratification, excluding the annual holiday shutdown period. Salary ranges for FY14 will be increased by 2%.
2. Fiscal Year 2015 (October 1, 2014) individual increases for Technical Unit employees will be from a merit pool of 3.0% of the September 30, 2014 payroll base. The merit pool will be distributed in the Lab's customary merit-based manner using an FY14 matrix to be provided to UPTe. The minimum increases identified on the matrix will utilize approximately 70% of the available allocation. evaluation, and continue to be in the bargaining unit on the date payroll distribution is processed in HRIS.

3. Fiscal Year 2016 (October 1, 2015) individual increases for Technical Unit employees will be from a merit pool of 3.0% of the September 30, 2015 payroll base. The merit pool will be distributed in the Lab's customary merit-based manner using an FY14 matrix to be provided to UPTe. The minimum increases identified on the matrix will utilize approximately 70% of the available allocation. This information will be provided electronically in a Microsoft Excel spreadsheet to UPTE Local 184 and to the UPTE systemwide office. In the same manner as in previous fiscal years, any undistributed amount of the above merit increases will then be distributed across the board to all employees who received a wage increase based on the above eligibility requirements.
9. Salary ranges for FY15 and FY16 may be increased at the Laboratory's sole discretion. The Laboratory shall provide UPTE with thirty (30) days advance notice regarding whether the salary ranges will be increased, and if so, the amount of the increase.
