Paid leave time includes compensatory time off, sick leave, extended sick leave, vacations, holidays, or military leave with pay. Lump-sum payments for terminal vacation do not represent time on pay status.

2. **Pay**

Employees with partial-year career appointments may choose either to receive paychecks during pay periods worked only, or to distribute their pay so that they will receive twelve (12) (or the bi-weekly equivalent) paychecks throughout the year. **G. LAWRENCE BERKELEY NATIONAL LABORATORY (LBNL)**

1. The definitions of career, limited, term and rehired retiree appointments that are currently in effect at the Laboratory shall remain in effect.

2. When a vacant position is designated as a term appointment, the Laboratory shall provide a notice to UPTE at least five (5) working days before the proposed date of posting. The notice to the union shall include the business reason(s) for the term appointment designation. Upon UPTE's request, the parties shall meet to discuss the union's concerns. If a meeting is requested during the notice period but cannot reasonably be scheduled prior to the proposed posting date, posting may be delayed up to two weeks to allow time for such a meeting to occur.

3. Term appointments apply to staff hired to work on a specified project of clearly limited duration for six (6) months to three (3) years. If the initial appointment is between six (6) and twelve (12) months, the individual

must be on a fixed 100% schedule. If the initial appointment is one (1) year or more, the appointment must be fixed at 50% time or more. Time spent in term appointments is cumulative.

4. Extensions of term appointments beyond three (3) years, to a maximum of five (5) years, will be considered on a case-by-case basis and require an explicit written agreement between LBNL and the President of UPTE local 184 or designee.
5. Term employees do not serve a probationary period, unless the initial appointment is for longer than one year.
6. Term employees are not eligible career-related or educational enrichment programs described in Article 8 and Appendix E of this agreement. Term employees are eligible for time off with pay for class attendance and reimbursement of course fees for position-related programs when such training is specifically determined by Lab management to be necessary for them to perform their respective assignments.
7. The layoff and severance provisions described in Article 16 and Appendix F of this agreement do not apply to term employees.
8. Employees in term appointments are automatically terminated as of the last day of their appointment unless there is a written notice of extension of the appointment. Employees in term appointments may be terminated before the end of their appointment for disciplinary reasons or substandard performance. The appointment may also be terminated early for lack of funds, lack of work, or changes in operational/business needs in which case, whenever possible, an employee should be given at least 30 days' advance written notice that his/her appointment will be terminated. The early termination of a term appointment is not grievable or arbitrable.
9. Once a position has been designated as a term appointment per #2 above, the posting of any additional term appointments supporting the same project requires an explicit written agreement between LBNL and the President of UPTE local 184 or designee if the appointment dates of the positions overlap.
10. LBNL will provide UPTE with an annual term appointment report. Each year's report will be due by the end of January for the prior calendar year. The report will include the number of term appointments filled, the number of term appointments extended beyond the initial term, the number of term appointments converted to career, and the number of career positions filled during the calendar year.
