The University may, at its option, amend and/or terminate the existing UCRS plans, to the extent permitted by law and consistent with the plan terms, and establish new retirement and/or savings plans for the UCRS. In the event the University makes such alterations, the changes will apply to employees eligible to participate in the UCRS plans within the unit in the same manner as they apply to other eligible staff employees at the University. Such alterations include, but are not limited to altering eligibility criteria; altering or deleting current benefits; implementing the UCRP 2013 Tier for employees hired, rehired following a break in service, or who become UCRP eligible on or after July 1, 2013; altering employee and University rates of contribution, and changing the carrier or administrator for established plans or programs.

 - a. The University shall implement the 2013 UCRP Tier for unit members covered by this Agreement that are hired, rehired following a break in service, or who become UCRP-eligible on or after July 1, 2013. The 2013 Tier benefit provisions shall apply, with two exceptions. First, the age factors and earliest retirement age shall be the same as for the 1976 Tier (age factors beginning with 0.0110 at age 50 up to 0.0250 at age 60). Second, a lump-sum cash out of pension benefits may be elected by a retiring unit member in a manner consistent with 1976-Tier rules.

C. EFFECT OF LEAVES OF ABSENCE

1. Leaves of Absence Without Pay

Approved leave without pay shall not be considered a break in service. The regulations of the retirement system determine the effects of such leave without pay on retirement benefits.
