

**DAY OF ACTION @ SFSU
WED. NOV. 18TH
RALLY 4 BUDGET JUSTICE
ADMIN. BUILDING, 12NOON**

On 11/17-18, the CSU Board of Trustees are meeting in Long Beach, as calls to end cutbacks & support public education fall on deaf ears in Sacramento.

We call for student, worker, and faculty input into how budget decisions are made & finances are used.

This day of action is part of a statewide & international week of resistance.

GENERAL ASSEMBLY

LOCATION TBA, 5:30-8PM

All are invited to this meeting to discuss next steps & propose future action against cutbacks & for relevant accessible public education.
