

UPTE Convention Childcare

UPTE's 29th Annual Convention has not provided participating delegates with childcare.

Whereas-UPTE has always identified itself as family friendly.

Whereas- Childcare has been provided to delegates at previous conventions.

Whereas- UPTE is facing significant budget shortfall, childcare should not be an optional place to cut costs.

Whereas- UPTE wants and needs to attract and encourage new, young members we need to make family members with children welcome.

Therefore, be it resolved UPTE will provide childcare at all future annual conventions.
