ARBITRATION PROCEDURE

A. GENERAL CONDITIONS

1. An appeal to arbitration may be made only by the union and only after the timely exhaustion of Article __, Grievance Procedure. The appeal to arbitration must be signed by the President of UPTE-CWA Local 9119, and filed with the Office of Labor Relations, Office of the President.
 - a. When hand delivered, proof of service must accompany the appeal to arbitration. The date of receipt will be used to determine the date of the appeal for hand-delivered appeals.
 - b. When mailed, the appeal must arrive in an envelope with a U.S. Postal Service Postmark. The U.S. Postal Service Postmark will be used to determine the date of the appeal for mailed appeals.
2. For the purposes of this Article, time limits are calculated in calendar days, and deadlines that fall on a day which is not a University/campus business day will automatically be extended to the next business day. All time limits may be extended by written agreement of the parties in advance of the expiration of the time limit. The union's failure to meet any time limit, or extension to a time limit, will render the Appeal to Arbitration ineligible for further processing and the *last preceding* University *written* answer will be considered final.
3. If the appeal to arbitration is withdrawn, or an arbitration hearing otherwise does not take place, the University's Step 3 answer will be considered final.
4. The decision of the arbitrator on any issue properly before him or her shall be final and binding.
5. An appeal to arbitration shall not prohibit efforts by the University and UPTE to resolve the grievance during the time the appeal is pending and until such time that an arbitrator has rendered a decision.
6. UPTE shall have full authority to settle, withdraw or otherwise dispose of any grievance brought on behalf of the union and/or on the behalf of employees. An agreement by the parties to settle, withdraw, or otherwise dispose of a grievance appealed to arbitration shall be binding upon the grievant(s).
7. Where two or more grievances are appealed to arbitration, all grievances by or related to the same employee(s), or grievances which relate to the same incident, issue or course of action, may be consolidated by agreement of the parties.

8. An appeal of an expedited grievance to arbitration may be made only by UPTE in accordance with this section. Requests for arbitration under the expedited grievance process pursuant to Section E.2.e., of Article ____ Grievance Procedure must include a copy of the completed grievance form.

9. TIME LIMITS

a. **INITIAL FILING** - An appeal to arbitration must be filed within 30 calendar days of the issuance of the University's Step 3 decision to the union or Step 2 decision in the case of an expedited grievance appealed to arbitration. Appeals that do not contain the appropriate union signature will be considered ineligible for appeal to arbitration.

b. **UNIVERSITY ACKNOWLEDGMENT OF RECEIPT** - Within 15 calendar days of the postmark or, in the case of hand delivery the date of receipt, of the union's appeal to arbitration, the University shall mail to the union an acknowledgment of the receipt of the appeal and the identity of the location to which all relevant correspondence should be directed.

c. **SCHEDULING OF THE HEARING DATE** - Within 90 calendar days from the date the grievance was originally appealed to arbitration, the parties shall select an arbitrator and schedule an arbitration date. Should the parties be unable to agree to a hearing date, the authority to schedule the hearing rests with the arbitrator. The parties may extend the 90 day limit for scheduling the arbitration by mutual written agreement in advance of the expiration of the time limit. In such cases the arbitrator shall be provided with a copy of the written agreement.

d. **UPTE REQUEST THAT A GRIEVANCE BE PLACED IN ABEYANCE** - Should UPTE make a request that the grievance be placed in abeyance for any reason, the period of abeyance shall not exceed 45 calendar days. The provisions of Section A.2, shall apply to grievances placed in abeyance by UPTE. Failure by UPTE to reactivate the grievance within the 45-day time limit following agreement by the parties that it be held in abeyance will render the grievance ineligible for arbitration and the last preceding University written answer shall become final.

B. DEFINITIONS

For the purposes of this Article, the terms:

1. "**GRIEVANT**" means any employee covered by this contract, or the Union for a group grievance, who has a grievance or complaint (as defined by this Article);

1. Until a permanent panel is in place, on a case by case basis, the parties may agree to the selection of any qualified and available person to serve as an arbitrator. Absent such agreement, the parties may agree to the selection of an arbitrator from their respective panel.

2. Once the permanent panel is in place, the parties may mutually agree to an arbitrator. In the event the parties cannot agree to an arbitrator, the parties shall then alternately strike one name each from the 14 names. The first strike will be determined by a flip of a coin provided by the University, and the last name remaining shall be the arbitrator.

3. If both parties disagree with the arbitrator who has been selected, the process shall be repeated once in its entirety.

4. A separate arbitrator shall be selected for each grievance appealed to arbitration, unless the parties agree otherwise in writing.

5. The parties may agree in writing to extend the 45-day limit for selecting the arbitrator. E. SCOPE OF ARBITRATION

1. Unless there is an agreement by both parties to modify the scope of the hearing, the issue(s) to be heard by the arbitrator shall solely and in its entirety be restricted to the issue(s) stated by Step 3 (or Step 2 in the case of an expedited arbitration.) 2. On grievances where the arbitrability of the subject matter is an issue, a separate arbitrator shall be appointed to determine the question of arbitrability unless the parties agree otherwise. In those grievances appealed to arbitration where the issue of arbitrability is raised with regard to subject matter as well as procedure/time limits, separate hearings on arbitrability shall be held, unless mutually agreed otherwise, with the hearing on arbitrability of procedure/time limits being held first. In such cases of arbitrability of procedure/time limits and subject matter issues, different arbitrators shall be appointed for each of the hearings unless the parties mutually agree otherwise.

3. The issue(s) of arbitrability shall be resolved in a hearing prior to and separate from the hearing (if any) about the substantive facts and/or allegations in dispute, unless the parties agree otherwise. In the event an arbitrator, as a result of the arbitrability hearing referenced above, determines a matter to be arbitrable, the arbitrator shall have no authority to decide the issues pursuant to the facts of the case unless the parties agree otherwise.

4. Section E.1. and Section E.2. above, shall not prevent the parties from agreeing in writing to combine the arbitrability hearing with the hearing on the merits of the case.

5. The union may not request a postponement of the scheduled arbitration hearing following the University's raising issue(s) of arbitrability.

F. ARBITRATION PROCEEDING

1. The University and UPTE will mutually agree upon the location for all scheduled arbitration hearings.
2. The arbitration hearing shall be closed to anyone other than the participants in the arbitration hearing, unless the parties otherwise agree in writing.

4. The parties shall not introduce as evidence in the arbitration hearing any settlement offers made any time during the Grievance and/or Arbitration Procedure.
5. Either or both parties may, at their discretion, file briefs with the arbitrator. On a case-by-case basis, the parties shall agree upon or, absent agreement, the arbitrator shall specify, the order and time limits of briefing. The Arbitrator may extend the briefing time limits upon the agreement of both parties.
6. The arbitrator shall consider the evidence presented and render a written decision within thirty (30) calendar days of the close of the record of the hearing.
7. In all cases appealed to arbitration pursuant to the terms of this Article and this Agreement, UPTE has the burden of initiating the steps in the procedure. With the exception of those cases in which the issue is that of actions taken by the University pursuant to Article __, Discipline and Dismissal, UPTE shall have the burden of proof. The burden of proof in cases in which the issue is that of actions taken by the University pursuant to Article __, Discipline and Dismissal, shall be the University's.
8. At least seven (7) calendar days prior to the hearing, the union and the University shall inform each other of the names of known witnesses and relevant materials to be introduced at the hearing.

G. AUTHORITY OF THE ARBITRATOR

1. The arbitrator's authority shall be limited to determining whether the University has violated the provision(s) of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify or ignore in any way the provisions of this Agreement. The arbitrator shall not make any award that would, in effect, grant UPTE or the employee(s) any terms which were not obtained in the negotiation process.

In all respects, the arbitrator shall assure that the hearing is a fair one. The arbitrator shall be the sole judge of the relevancy and materiality of the evidence and testimony offered. The arbitrator may receive and consider evidence but shall give appropriate weight to any objections made. All documents to be considered by the arbitrator shall be filed at the hearing, or within the post-hearing time lines agreed to by the parties during the hearing.

H. ARBITRATION REMEDIES

1. If the grievance is sustained in whole or in part, the remedy shall not exceed restoring to the employee the straight-time pay, benefits or rights lost, less any compensation from any source, including but not limited to Workers' Compensation, Disability, Unemployment Compensation or other employment.

2. The calculation of remedies involving monetary payment and/or credit shall be limited to the utilization of the employee's actual and appropriate straight-time wage or benefit amount at the time of the violation. Such remedies shall not include the awarding of interest or any other payment/credit unrelated to a University benefit amount or the employee's hourly wage.

3. No arbitrator may provide a retroactive remedy earlier than 30 days prior to the filing of the Step 1 grievance, except for the correction of mathematical calculations, recording or accounting errors relating to the payment of wages that UPTE or the employee(s) could not have known or could not be expected to know. For grievances involving these corrections, an award of an arbitrator shall not in any case be made retroactive to a date earlier than three years prior to the initiation of the written grievance in Step 1 of the Grievance Procedure.

4. An arbitrator shall provide no remedy for any period of time during the grievance and/or arbitration procedure for which an extension of time limits has been granted at the request of UPTE, or any time an employee was on strike.

5. In any decision of a grievance appealed to arbitration involving retroactive payments, the appropriate University and UPTE representatives shall expeditiously determine the identity of the payees and the specific amount owed each payee. Such amount of payment shall be final and no employee or group of employees may subsequently grieve the amounts owed.

6. Upon the motion of either party, or at his or her own discretion, an arbitrator may retain jurisdiction in cases involving an award of retroactive monetary payment and/or credit.

I. COST OF ARBITRATION

1. The cost of the arbitrator's fees shall be borne equally by the parties filing the grievance. If either party requests that a stenographic record of the hearing be made and/or transcripts of the stenographic record or a taped record be provided, they shall equally share the entire cost of such service and the cost of the provision of a transcript to each party and the arbitrator.

2. In the event either party requests the cancellation or postponement of a scheduled arbitration proceeding which causes an arbitrator to impose a cancellation or postponement fee, the party requesting such cancellation or postponement shall bear the full cost of the cancellation/postponement fee. In the event the parties agree to settle or postpone the arbitration during the period of time in which the arbitrator will charge a cancellation/postponement fee, the parties will equally bear the cost of the fee, unless they agree otherwise.

J. PAY STATUS

1. The grievant, as defined in Article ____, Grievance Procedure, Section A.5.a., (one grievant in a group grievance) shall be in a without-loss-of-straight-time-pay status at the arbitration hearing.

2. The University and UPTE shall establish a reasonable schedule for witness(es)' testimony at the arbitration proceeding. Employee witnesses who appear at the arbitration hearing at the request of UPTE shall be in a without-loss-of-straight-time-pay status for the time spent actually giving testimony. Every effort shall be made by UPTE to avoid the presentation of repetitive witnesses.

3. Total release time for the grievant, employee representative and witness(es) for travel to/from the hearing and for participation in the hearing shall not exceed either their normally scheduled hours of work for the day(s) of the hearing or their actual participation in the hearing. Participants shall travel to/from the hearing via the most expeditious method of transportation available.

4. Not more than one employee representative will be released in without-loss-of-straight-time-pay status for attendance at any one arbitration hearing.

5. The University shall not be responsible for any lodging, travel expenses or other expenses incurred by grievants, witnesses, employee or UPTE representatives with regard to the union's presentation in the arbitration hearing.

K. EXPEDITED ARBITRATION

The parties may agree to use an expedited form of arbitration, to be agreed to by the parties and the arbitrator.

L. ARBITRATION PANEL

1. The parties will agree on the panel of 14 arbitrators. If agreement cannot be reached on the names of the arbitrators on the list, the remaining number of arbitrators needed to complete a panel will be selected alternately by the parties. The party selecting first shall be determined by a flip of a coin.

2. After one year from the date the panel members were initially selected, and annually thereafter, each party shall have the right to eliminate up to one arbitrator from the panel. A party exercising this right shall notify the other party in writing of the name of the arbitrator to be stricken from the panel.

3. In replacing arbitrators who were eliminated from the panel, the procedure in Section L.1. shall be used again but any arbitrator eliminated in Section L.2. above, may not be placed back on the panel until at least one year from the date on which such arbitrator was stricken.

4. In the event one vacancy in the panel of arbitrators occurs, other than the elimination of an Arbitrator by the parties pursuant to Section L.3., above, the vacancy may be filled by the parties within 30 calendar days, using the procedures in Section L.1. and 2. above, if the parties agree that a replacement is necessary. In the event more than one vacancy in the panel of arbitrators occurs, the parties shall fill such vacancies within 30 calendar days by using the procedures in Section L.1. and 2. above, unless both parties agree that no replacement is necessary prior to the annual panel review.

CORRECTIVE ACTION, DISCIPLINE, AND DISCHARGE

A. GENERAL PROVISIONS

Corrective Action is an action designed to improve conduct or performance, which does not involve an adverse impact on rights, pay, or benefits. Discipline is an action imposed on a non-probationary employee when corrective action has proven ineffectual or when the employee's misconduct or failure to perform satisfactorily is serious enough to warrant discipline. The University has the authority to discharge or to take other appropriate disciplinary action against a non-probationary employee for just cause.

B. TYPE OF ACTIVITY

The University may use an oral reprimand or counseling memorandum as corrective action. Discipline may involve a written warning, suspension without pay for up to five (5) working days without prior notice, suspension beyond five (5) working days with notice, salary reduction, demotion for failure to meet performance standards, as defined in §C., below, or discharge. Employees who are suspended without pay for up to five (5) working days, and who wish to contest the suspension, must grieve within the time limits established by the grievance procedure of this Agreement. Corrective actions are not subject to the grievance or arbitration procedures of this Agreement.

C. DEMOTION

The University may demote an employee to a lower classification, with concurrent reassignment to work of lesser duties and responsibilities, based on a demonstrated failure to meet the performance standards of the higher classification. Such action shall take place only after reasonable attempts to correct the deficient performance have failed. Demotion shall be subject to the grievance and arbitration procedures.

D. INVESTIGATORY LEAVE

The University may place an employee on investigatory leave with pay in order to review or investigate allegations of conduct which, in the University's view, would warrant relieving the employee immediately from all work duties. An investigatory leave with pay shall not be considered corrective action or discipline as defined in this Article.

E. NOTICE

1. When the University intends to suspend for more than five (5) working days, reduce an employee's salary for more than thirty (30) working days, demote, or discharge an employee, written notice of its intent shall be given to the employee. Such notice shall be made either by delivery of the notice to the employee in person, or by placing the notice of intent in the United States mail with first class postage paid in an envelope addressed to the employee at her/his last known home address. In either case, a copy of the notice of intent shall be sent by United States mail, first class postage paid, to UPTE. It shall be the responsibility of the employee to inform the University in writing of any change of home address. Whether delivery is made in person or by mail, the notice of intent shall contain a proof of service indicating the date on which the notice of intent was personally delivered or mailed. Such date of personal delivery or mailing shall be the "date of issuance" of the notice of intent.

2. The notice shall:

- a. inform the employee of the action intended, the reason for the disciplinary action and the effective date of the action;
- b. include a copy of the charge and material upon which the charge is based; and
- c. inform the employee of the right to respond and to whom to respond within the time limit in §F., below, either orally or in writing in accordance with §F., below.

F. EMPLOYEE RESPONSE

1. The employee shall be entitled to respond, orally or in writing, to the notice of intent described in §E., above. If the written notice of intent is delivered in person to the employee, the employee's response must be received within ten (10) calendar days from the date of issuance, in accordance with instructions given by the University in the written notice. If the written notice of intent is mailed to the employee and UPTE, the employee's response must be received within fourteen (14) calendar days from the date of issuance.

2. After review of the employee's timely response, if any, the University shall notify the employee of any action to be taken. Such action to be taken may not include discipline more severe than that described in the notice of intent; however, the University may reduce such discipline without the issuance of a further notice of intent. When such action includes a suspension without pay for five (5) days or longer, a copy of the letter of discipline/suspension will be sent concurrently to UPTE.

G. PERSONNEL RECORDS

1. A counseling memorandum may be placed in the employee's personnel records.
2. A copy of a written warning given or mailed to an employee shall be placed in the employee's personnel records. The University agrees that written warning shall be accompanied by a proof of service. Written warning shall be destroyed after two (2)

consecutive years during which there have been no further written warnings issued to the employee.

3. There shall be no charge for the first copy of the contents of the employee's personnel file.

H. REPRESENTATION

1. A non-probationary employee shall have the right of representation at any scheduled investigatory meeting the outcome of which may be a disciplinary act of written warning, suspension without pay, demotion or discharge. The University shall advise an employee of any scheduled investigatory meeting the outcome of which may be a written warning, suspension without pay, disciplinary demotion or discharge. An employee may request a representative of the employee's choice other than a University employee who has been designated as supervisory, managerial, or confidential to be present when there is reason to believe that a meeting may result in disciplinary action as defined above. If the employee's preferred representative is not available to attend a meeting scheduled by the University, the employee shall arrange for an alternative representative for the meeting. If no alternative representative can be found for the scheduled meeting, the University may reschedule the meeting within eight (8) calendar days, unless otherwise agreed to by the parties.

2. The term "meeting" does not include the occasion in which the University only presents an employee with written confirmation of the results of the prior meeting referenced in §H.1., above.

B. FAILURE TO APPEAL

If a grievance is not appealed to the next step of the procedure within applicable time limits, and a written extension has not been agreed to in advance, the grievance will be considered resolved on the basis of the last University response to the grievance and shall be considered ineligible for further appeal.

C. NO REPRISAL

No employee shall be subject to reprisal for using or participating in the grievance procedure of this Agreement.

D. GRIEVANCE PROCEDURE - INFORMAL REVIEW

Before commencing the formal grievance procedure, an individual employee, or group of employees, with or without their representative, may first attempt to informally resolve the grievance with her/his immediate supervisor.

E. GRIEVANCE PROCEDURE - FORMAL REVIEW

1. Step 1:

a. All grievances (individual, group, or union) must be filed either by U.S. mail or hand delivery, and received by the designated local University official within 30 calendar days after the date on which the employee or UPTE knew or could be expected to know of the event or action giving rise to the grievance.

b. When UPTE files a grievance on behalf of employees at more than one location, the grievance shall be filed at Step 3 of the procedure.

c. Grievances received after the filing deadline will be processed solely for the purposes of determining whether the grievance was untimely. Any formal grievance which is not

received in accordance with Section A.1., or this section, shall be considered withdrawn by the grievant and/or UPTE.

d. University Review:

- 1) The University's written response will be issued to the grievant and his/her representative, if any, within 25 calendar days after the formal grievance is filed. If the response is not issued within this time limit, or if the grievance is not resolved at Step 1, the grievance may proceed to Step 2.
- 2) Resolution of the grievance at Step 1, although final, shall not be precedent setting.

e. Alternative Dispute Resolution Procedures:

- 1) An employee alleging sexual harassment who has timely filed a grievance may elect to substitute a campus/hospital/laboratory Sexual Harassment Complaint Resolution Procedure for Step 1 of the Grievance Procedure. Use of the Sexual Harassment Complaint Resolution Procedure shall toll the time limits for Step 1 of the Grievance Procedure only if a grievance has been timely filed, pursuant to §E.1.a.1 above. At any time, an employee may elect to resume the regular grievance procedure in place of the alternate procedure by written notice to the University. The University's Step 1 Grievance response will be issued within 25 calendar days after such notice is received by the designated campus/hospital/Laboratory official.
- 2) Grievances that allege a violation involving sexual harassment may, at the grievant's option, enter the Grievance Procedure at Step 2.

2. Step 2

If the grievance is not resolved at Step 1, it may be appealed as follows:

- a. The written appeal shall be submitted within 15 calendar days of the date on which the written response to Step 1 was issued or due.
- b. Unless the parties agree otherwise, the designated University local official shall convene a meeting with the grievant(s) and the grievant's representative, if any, to attempt to resolve the grievance. The meeting shall be convened 15 calendar days following receipt of the appeal to Step 2. During the Step 2 meeting, the parties shall discuss information and contentions relative to the grievance.
- c. During the Step 2 process, the parties may agree in writing to amend the alleged violations, issues and contentions stated in the original grievance.
- d. If requested by the grievant, an UPTE representative may participate for purposes of representation in the Step 2 meeting. In the event an UPTE representative participates in addition to the UPTE-designated employee representative or the grievant's selected

"other" representative, only one individual representing the grievant may actively participate in the grievance meeting as the grievant's advocate, and the second may participate only as an assistant or observer.

e. If a grievance which alleges a violation of Article __, Corrective Action, Discipline and Dismissal only, is not satisfactorily resolved following the University's Step 2 response, UPTE may appeal directly to arbitration in accordance with Article __, Arbitration Procedure.

f. A written decision shall be issued within 15 calendar days following the Step 2 meeting, or receipt of the Step 2 appeal if it is agreed that no meeting will be held.

3. Step 3

a. All grievances, which are not satisfactorily resolved at Step 2, may be appealed to Step 3. The appeal must be filed with the Director of Labor Relations in the Office of the President within 15 calendar days of the date the University's Step 2 written answer was issued or, if no University answer was issued, within 15 calendar days of the date the University's answer was due.

b. The UPTE Step 3 appeal shall identify all unresolved issues, alleged violations and remedies and shall be signed and dated by the grievant or the grievant's representative. The subject of the grievance as stated in Step 2 shall constitute the sole and entire subject matter of the appeal to Step 3.

c. The Office of the President Office of Labor Relations official shall issue the University's written answer to a Step 3 appeal within 30 calendar days of the receipt of the appeal. The answer will be issued to the grievant when self-represented, or to the grievant's representative.

d. Step 3 may also be the first step in the Grievance Procedure when UPTE is filing a grievance on behalf of employees at more than one location. Such a grievance must be filed within 30 calendar days of the action that gave rise to the grievance.

4. Appeals to Arbitration

If an Appeal to Arbitration is not postmarked or hand-delivered within 30 calendar days of the issuance of the University's Step 3 answer (or Step 2 decision in the case of an expedited grievance), Section B. of this Article shall apply.

F. UNION GRIEVANCES

UPTE shall have the right to present grievances under this procedure on behalf of an individual employee, on behalf of a group of employees, or on behalf of itself. It shall be

the union's responsibility to inform an employee that it is bringing a grievance on behalf of said employee (including an employee named in a group grievance).

G. GROUP GRIEVANCES

A group grievance is defined as, and is limited to, a grievance which covers more than one grievant, and which involves the same incident, issue or course of conduct. A group grievance must be so designated on the grievance form at Step 1; all grievants participating in the grievance must be indicated on the form at the time of filing; and the remedy shall be limited to the grievants specifically named on the form.

H. CONSOLIDATION/SEVERANCE OF GRIEVANCES

The grievances of two or more employees, and multiple grievances by or related to the same grievant which involve like circumstances and facts for the grievants involved may be consolidated. Consolidated grievances may be severed. Consolidation or severance of grievances shall occur by written agreement of the parties.

I. OFFERS OF SETTLEMENT

Settlement offers made at any stage of this procedure, including informal resolution, shall not be introduced as evidence in subsequent steps, and shall not be precedent setting.

J. RETROACTIVITY

Settlement of grievances may or may not be retroactive as the equities of a particular case may demand. When it is determined that the settlement shall be applied retroactively, the maximum period of retroactivity allowed shall not in any case be a date earlier than the initiation of the written grievance in Step 1.

K. EXCLUSIVE PROCEDURE

The Grievance Procedure set out in this Article shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the alleged violation of this Agreement. Unless otherwise indicated within this Agreement, any previous grievance procedure or other procedure in existence or adopted by the

University shall not apply to employees covered by this Agreement for any purposes whatsoever.

2) advance request is made and approval is received from the supervisor of the grievant(s), the witness(es), and/or the UPTE-designated employee representative. Approval to attend shall be made on an operational need basis and shall not be unreasonably denied.

b. A grievant or his/her representative may request the availability of bargaining unit employee witnesses for University-convened grievance meetings. The availability of bargaining unit employee witnesses shall be determined by their immediate supervisor(s) on the basis of operational need, and such requests shall not be denied unreasonably. Such witnesses shall be in a without-loss-of-straight-time-pay status if the information they provide pertains to the subject of the grievance and the criteria enumerated above are met. Grievants and UPTE agree that every effort shall be made to avoid the presentation of repetitive witnesses and that the absence of any or all witnesses shall not require the meeting to be recessed or postponed.

c. Grievants, witnesses, and/or the UPTE-designated employee representative shall not be on pay status for time spent participating in a meeting convened by the University for the purposes of grievance resolution and/or complying with the steps of the Grievance Procedure when the meeting does not take place within the above named individual's regularly scheduled work time. The University is not responsible for any travel or lodging expenses or any other expenses incurred by the above named individual(s) which are related to participation in meetings convened by the University for the purpose of grievance resolution.

2. Grievance Meetings

It is understood that, to the extent possible, the amount of time a grievant spends away from his or her assigned duties and/or work place during work time to meet with a designated grievance representative regarding a grievance shall be kept to a minimum. Whenever possible, such meeting shall take place during the break or meal periods of the grievant(s). In the event it is necessary for such meeting to occur during the grievant's work time, it shall be unpaid and the grievant must receive prior approval to meet with his/her selected representative from his/her immediate supervisor. The supervisor shall take operational needs into account when considering such request.

3. Paid Release Time For Grievant's Representatives

Paid release time for UPTE designated employee representatives for purposes other than University-convened meetings shall be provided in accordance with Section D., of Article __, Access of this Agreement.

M. EXCLUSION OF CASUAL EMPLOYEES AND PROBATIONARY EMPLOYEES

The retention, release, or non-scheduling of casual, per diem, and probationary employees is at the sole discretion of the University, and shall not be subject to Article __, Grievance Procedure or Article __, Arbitration Procedure of this Agreement.

N. OTHER REPRESENTATION

Grievants may choose a representative other than an UPTE representative or UPTE-designated employee representative, as defined in §A.3. above, for purposes of grievance representation and adjustment. 1. The University shall provide UPTE with a copy of the grievance and the proposed resolution thereto indicating the grievant or grievants have chosen a representative other than UPTE.
2. UPTE shall have 10 calendar days from the date of issuance of such copy within which to comment in writing on the proposed resolution.
3. The University shall not implement the proposed resolution of the grievance until timely receipt and review of UPTE's written comments, if any.

4. The adjustment/resolution of grievances presented by someone other than an UPTE representative shall be consistent with the terms of this Agreement.

O. GRIEVANCE FILE

An employee called back to work may be assigned by the University to perform available work.

b. An employee called back to work shall be paid for the time actually worked upon return or a minimum of three hours, whichever is greater. Call back time whether worked or not is considered time worked for the purpose of calculating hours of overtime.

12. On-Call

a. On-call is time during which an employee is required to be available for return to work as a result of a call to work. An employee is not considered to be in on-call status unless the employee had previously been scheduled by the University for the assignment. The University retains the right to determine the need for, and the assignment of, on-call time.

b. On-call will not be considered hours worked when employees are free to engage in activities for their own purposes even though they are required to inform the employer how they can be reached or to carry a beeper or radio.

Employees are expected to work overtime when such work is assigned.

b. Compensation of Overtime

1) Overtime hours do not count toward accumulation of sick leave, vacation, holiday, or retirement service credit.

2) Actual work for the purpose of computing overtime does not include hours paid in non-work status, such as sick leave pay, vacation pay, holiday pay, compensatory time, and paid leave of absence pursuant to Article ___ - Leaves of Absence.

3) Except as provided in §___, below, employees shall be compensated for overtime worked at one and one-half (1-½) times the straight-time rate when the following conditions apply:

c. Compensatory Time

1) Overtime Compensation

a) At the option of the university, overtime shall be compensated at the appropriate rate either by pay or by compensatory time off, if the Department offers a compensatory time program, in accordance with this section.

b) Unless the employee and the University agree otherwise, overtime will be paid. An employee may within 30 days of the effective date of this agreement, or upon hire, and thereafter during the month of June, file a written indication of preference for either compensatory time off or pay with his / her immediate supervisor. The University shall grant the preference indicated.

c) The written indication of preference referenced in 1) b) above may be withdrawn by mutual agreement of the supervisor and the employee.

2) Accumulation of compensatory time is limited to no more than two-hundred forty (240) hours. An employee shall be paid for hours of overtime which exceed this limit.

3) An employee may request scheduling of compensatory time. An employee's request for the scheduling of compensatory time shall be granted subject to the needs of the University, and shall not be unreasonably denied. Once the University has approved an employee's request to schedule compensatory time, the University shall not unreasonably rescind such approval.

C. GENERAL PROVISIONS

The University shall determine the unit of layoff and which positions are to be subject to layoff.

2. Layoffs may be emergency, temporary or indefinite.

2. A **temporary layoff** is one for which the University specifies an affected employee's date for return to work of not more than of 120 calendar days from the effective date of the layoff.

3. An **indefinite layoff** is one for which the affected employee receives no date for return to work, or no date of restoration to his/her former appointment rate.

C. TEMPORARY LAYOFF

If the University determines that a temporary layoff of 120 calendar days or less is imminent, it shall be implemented in accordance with the provisions of this Section.

1. ALTERNATIVES TO LAYOFF

The University may, at its sole non-grievable discretion attempt to avoid a temporary layoff, or to ease its impact, by implementing the following alternatives:

- a. temporarily reassigning the affected employee(s) to an alternative assignment for which he/she is qualified, or
- b. scheduling the use of accrued compensatory time, or
- c. scheduling the use of accrued vacation time.

2. NOTICE

a. When the University identifies particular employees to be affected by a temporary layoff, it shall give the individual employee written notice of the expected beginning and ending dates of the temporary layoff as follows:

- 1) The University shall give, if feasible, 15 calendar days' notice of the expected beginning and ending dates of the layoff to the affected employee(s).
- 2) For conversion from temporary layoff to indefinite layoff, the University shall give 30 calendar days' notice, if feasible.

 - b) Notice of a change in temporary layoff dates does not invoke the 'pay in lieu of notice' provisions of this Article.
- 5) When the University determines that a temporary layoff is imminent, it shall give UPTE such notice as is reasonable under the circumstances. The notice shall describe the general areas(s) which may be affected. The University shall notify the union concurrent

13. DURATION

a. For the purposes of Family Care/Medical Leave, only, twelve (12) workweeks is equivalent to four-hundred eighty (480) hours of scheduled work for full-time career and casual employees who are normally scheduled for an eight (8) hours per day five (5) days per workweek (8/40) schedule. While the use of Family Care/Medical Leave need not be consecutive, in no event shall an employee's aggregate use of Family Care/Medical Leave exceed a total of twelve (12) workweeks within the leave year.

b. **HOURLY CONVERSION FOR PART-TIME OR ALTERNATIVELY SCHEDULED EMPLOYEES.** For employees who work part-time or a schedule other than an 8/40, the number of Family Care/Medical Leave hours to which the employee is eligible shall be adjusted in accordance with her/his normal weekly work schedule. An employee whose schedule varies from week to week is eligible for a pro-rated amount of Family Care/Medical Leave based on her/his hours worked over the previous twelve (12) weeks preceding the leave.

c. **EMPLOYEE REQUESTS FOR REDUCED WORK SCHEDULES.** When medically necessary and supported by medical certification, the University shall grant an eligible employee's request for a reduced work schedule or intermittent leave including absences of less than one (1) day. When granted, the University will count only the time actually spent on the intermittent leave or reduced work schedule towards the employee's entitlement of four-hundred eighty (480) hours in the leave year.

d. **ALTERNATE ASSIGNMENTS TO ACCOMMODATE INTERMITTENT LEAVE OR REDUCED WORK SCHEDULE.** When the employee requests an intermittent leave or a reduced work schedule, the University may, at its sole, non-grievable discretion, require the employee to transfer temporarily to an available alternate position for which the employee is qualified and which better accommodates the employee's recurring period of leave. Such transfer shall have equivalent pay and terms and conditions of employment, but does not need to have equivalent duties.

14. PARENTAL LEAVE

a. Parental Leave is a form of Family Care/Medical Leave to care for the employee's newborn or a child placed with the employee for adoption or foster care. Such leave must be initiated and concluded within one (1) year of the birth or placement of the child. The University shall grant a Parental Leave subject to the limitations described below. If requested and taken immediately following a Pregnancy Disability Leave, an employee eligible for FMLA/CFRA at the beginning of her Pregnancy Disability leave shall be granted the unused portion of CFRA/FMLA leave for Parental Leave purposes, up to a

b. **REQUESTS FOR PARENTAL LEAVE.** The employee shall request Parental Leave sufficiently in advance of the expected birth date of the child or placement of a child for adoption or foster care to allow the University to plan for the absence of the employee. The anticipated date of return from Parental Leave shall be set at the time such leave commences, or if requested in conjunction with a Family Care/Medical Leave on account of the pregnancy/childbearing disability, shall be set at the time such Family Care/Medical Leave commences. Parental Leave, when taken for adoption or foster care, could commence prior to the date of placement.

c. **DURATION.** Parental Leave, alone, shall not exceed twelve (12) workweeks within the leave year as defined in §B.2.b.2). and B.7., above. However, when Parental Leave is combined with a leave for pregnancy-related and/or childbearing disability only, the total Family Care/Parental Leave shall not exceed seven (7) months in the leave year.

1) An employee on Parental Leave shall use accrued vacation time prior to taking leave without pay.

2) The University shall grant a Parental Leave of at least two (2) weeks duration on any two (2) occasions during the leave year.

3) The University, at its sole non-grievable discretion, may require that any additional Parental Leave requested during this same time period be for a minimum duration of two (2) weeks, unless otherwise required by law.

15. CONTINUATION OF HEALTH BENEFITS

An eligible employee who is on an approved Family Care and/or Medical Leave shall be entitled to continue participation in health plan coverage (medical, dental, and optical) as if s/he were on pay status for a period of up to twelve (12) workweeks in the leave year. However, an employee on an approved Pregnancy Disability Leave who is dually eligible for leave under the federal Family and Medical Leave Act and the California Family Rights Act, shall be entitled for up to twelve (12) workweeks of health plan coverage for the combined Pregnancy Disability Leave/Parental Leave which runs concurrently with FMLA and/or CFRA. When an employee has been granted an approved Family Care/Medical Leave of Absence and returns within twelve (12) workweeks of the initiation of the leave, s/he shall be reinstated to the same or an equivalent position upon expiration of the leave. If the position has been abolished or otherwise affected by layoff and an equivalent position is not available, the employee shall be afforded the same considerations that would have been afforded had the employee been on pay status when the position was abolished or affected by layoff. No employee with a predetermined appointment end date or predetermined date of separation shall be granted a leave of absence beyond her/his appointment end date or the predetermined date of separation. An employee who has been granted a Family Care/Medical Leave for her/his own health condition, may be

c. PREGNANCY DISABILITY LEAVE MAY CONSIST OF leave with or without pay; however, an employee shall be required to use accrued sick leave in accordance with the University's Disability Plan. If sick leave is exhausted, the employee may elect to use accrued vacation time before taking leave without pay.

d. ADDITIONAL FAMILY CARE LEAVE IN THE LEAVE YEAR. Upon termination of the Pregnancy Disability Leave, which runs concurrently with federal Family Care/Medical Leave, an eligible employee shall also be entitled to the unused portion of CFRA/FMLA leave up to a maximum of twelve (12) workweeks for any covered reason except leave for a pregnancy-related medical condition. The amount available for use is determined by the amount that the employee has previously used under FMLA/CFRA in the leave year.

2. AS AN ALTERNATIVE TO OR IN ADDITION TO PREGNANCY

DISABILITY LEAVE, the University shall temporarily transfer a pregnant employee to a less strenuous or hazardous position upon the request of the employee and with the advice of the employee's health care provider, if the transfer can be reasonably accommodated. For the purpose of this section, a temporary transfer includes a temporary modification of the employee's own position to make it less strenuous or hazardous. A temporary transfer under this section is considered time worked and shall not be counted toward an employee's entitlement of up to four (4) months of pregnancy disability leave, unless the employee is also on a reduced work schedule or an intermittent leave schedule.

3. REDUCED WORK SCHEDULE - When medically necessary, and supported by medical certification, the University shall grant an employee Pregnancy Disability Leave on a reduced work schedule or on an intermittent basis including absences of less than one (1) day. 4. RETURN TO WORK - An employee who has been granted a temporary transfer and/or Pregnancy Disability Leave shall be reinstated to the same position, provided that the employee returns to work immediately upon termination of the Pregnancy Disability Leave and provided that the aggregate duration of all leaves granted for a given pregnancy does not exceed four (4) months. If the same job has been abolished or affected by layoff, the employee shall be reinstated to a similar job. If a similar position is not available, the employee shall be afforded the same considerations which would have been afforded had that employee been on pay status when the position was abolished or affected by layoff. The date of reinstatement is determined when the leave is granted.

Such career designation shall be effective the first of the month following the thirteen (13) consecutive months.

B. CASUAL POSITIONS

1. Casual positions are positions established at any percentage of time, fixed or variable, for less than one (1) year, or are positions established at a fixed or variable percentage of time at less than fifty percent (50%) of full-time regardless of the duration of the position.
2. Employees in casual positions may be terminated or have their time reduced at the sole discretion of the University and without recourse to the grievance and arbitration procedures of this Agreement. An employee who is appointed to a casual position is automatically terminated as of the last day of the appointment unless there is an earlier separation or a formal extension of the appointment.

These scheduled periods during which employees are not at work are designated as furloughs and are without pay. Furlough periods are not to exceed a total of three (3) months in each calendar year. Partial year career positions may be established as nine-, ten- or eleven-month appointments.

The one month's pay for extended military leave and lump-sum payments for terminal vacation do not represent time on pay status.

Whenever it appears that an employee will be unable to achieve nine (9) months on pay status in a calendar year, the University may assign the employee to perform additional work according to classification and skills in an attempt to achieve nine (9) months on pay status. scheduling will occur in accordance with the needs of the University and the qualifications of the employees.

2. DISTRIBUTION OF SALARY OVER THE YEAR

Employees with partial-year career appointments may choose either to receive paychecks during pay periods worked only, or to distribute their pay so that they will receive twelve, or the biweekly equivalent, paychecks throughout the year. For medical plans, which require an employee contribution, employees on furlough must remit to the University the amount of the employee's contributions for the plan to remain in force.

b. Time on furlough is not qualifying time for service computation for seniority or for vacation leave, sick leave, or holiday pay when furloughed absences exceed twenty (20) days in a month.

D. REASSIGNMENT

The reassignment of an employee in a full-time career position to a partial-year position or to a part-time position at a fixed or variable percentage of time shall be considered a reduction in time and must be carried out in accordance with the provisions of Article 23, Layoff and Reduction in Time.

UPTE shall provide in writing the names of the designated permanent members of its bargaining team to the Office of Labor Relations at least thirty (30) calendar days prior to the first scheduled bargaining session. The Office of Labor Relations shall acknowledge in writing the newly designated permanent replacement, and inform the appropriate work location. Such notification of a permanent replacement shall be made to the Office of Labor Relations two (2) workweeks prior to the first scheduled bargaining session to be attended by the replacement employee. Designated team members who are members of the System-wide Unit may be released from their work assignments without loss of straight-time pay to attend scheduled bargaining sessions. Alternates or substitutes for any of the designated team members may be permitted when UPTE has provided the University with the name and work location of the replacement at least two (2) weeks in advance of the date of the change, unless the parties agree to a shorter notice period.

B. No more than a total of six (6) HX-Unit employees shall be in without-loss-of-straight-time pay and benefits status for attendance at scheduled bargaining sessions, including reasonable travel time to attend bargaining sessions. Without-loss-of-straight-time-pay status shall be provided only for bargaining sessions, and only for the days which the member would have been scheduled to work had the member not been released from his/her work assignments to attend scheduled bargaining sessions. If no meeting actually takes place during the scheduled meeting day as the result of the University's unavailability to appear at the bargaining table, or the University agrees that a full-day union bargaining team caucus is necessary to the bargaining process, the University may designate a day without a face-to-face meeting as a "bargaining session".

D. An employee designated as an HX-Unit bargaining team member shall provide his/her supervisor with written notice of their intent to attend scheduled bargaining sessions as soon as practicable following the scheduling of bargaining sessions. A bargaining team

representative may be denied release time for bargaining, either in paid or unpaid status, if his/her supervisor is not provided at least fourteen (14) calendar days prior notice of his/her need for release time, unless the parties agree to a shorter notice period.

E. UPTE shall provide an attendance roster at the end of each bargaining session.

For the purposes of this Agreement, a quadri-weekly cycle is defined as two bi-weekly pay periods designated by the University to be considered as one unit for the purpose of leave accrual.
5. For employees on either system, earned sick leave for each month or quadri-weekly cycle is credited on the first day of the following month or quadri-weekly cycle, except that proportionate sick leave credit for an eligible employee who is separating from employment shall be credited at the completion of the last day on pay status.

6. The number of sick leave hours that may be accumulated is unlimited.

In the case of medical appointments, a request for sick leave shall not be unreasonable denied.

c. Sick leave shall not be used prior to the time it is credited. Sick leave shall not be used in excess of the employee's normally scheduled hours or work for the day or days for which the sick leave is claimed. Sick leave shall not be used beyond a predetermined date of separation, including retirement or layoff, or beyond a predetermined date beginning a leave of absence without pay.

d. **EXEMPT EMPLOYEES** Except as provided in Article ____, Leaves of Absence, records of sick leave used shall be recorded in one (1)-day increments only or in increments of not less than that portion of a day during which an employee on less than full-time pay status is normally scheduled to work. When an exempt employee has exhausted all accrued sick leave, salary shall not be reduced for absences of less than one (1) full day or less than that portion of a day during which an employee on less than full-time pay status is normally scheduled to work.

e. **NON-EXEMPT EMPLOYEES** Records of accrued sick leave usage shall be maintained to the nearest quarter (1/4) hour.

8. PREGNANCY

A pregnant employee on approved leave without pay on the date certified by her doctor as the date on which she is no longer able to work or the date of delivery, whichever is earlier, can use sick leave beginning with that day and continuing through the period that she is physically unable to perform the normal duties of her job.

9. CARE OF OTHERS

Up to thirty (30) days of accumulated sick leave per year may be used when the employee is required to be in attendance or to provide care of either:

11. ILLNESS WHILE ON VACATION

If, while on vacation, an employee becomes ill and is under the care of a physician and submits a physician's statement, the employee may use accumulated sick leave for that personal illness. Sick leave may not be used for illness of a family member during the employees' vacation.

SICK LEAVE PAY

Sick leave is paid at the employee's straight-time rate of pay including any shift differential, provided that the employee would have been expected to work that shift or shifts if not on sick leave.

SICK LEAVE NOTIFICATION AND VERIFICATION

No sick leave pay shall be payable to an employee unless the employee's immediate supervisor or designee is notified of the illness/disability and the probable duration thereof as soon as possible, but in no event later than the beginning of the employee's work day except when the University determines that the employee's failure to notify is due to extreme circumstances beyond the control of the employee. No time for which the employee has requested and/or received sick leave authorization may be charged to accumulated/anticipated compensatory time, leave with pay, vacation, or holiday time, except as provided in Article ____, Leaves of Absence.

13. Any employee who anticipates a series of three (3) or more medical appointments which will require a repeated use of sick leave, or who knows in advance the date and/or

time of scheduled appointments, shall inform his/her immediate supervisor of the anticipated or known schedule of treatment.

14. The University may require reasonable documentation of an employee's sick leave absence when an absence exceeds three (3) consecutive scheduled days of work, or for shorter periods when:

a. notice has been provided to the employee prior to his/her return to work, that documentation will be required, or

b. the employee has been given advance written notice that documentation will be required.

15. Employees who have unscheduled absences due to illness on a scheduled work day preceding or following a holiday or vacation may be required to bring a medical verification of illness to the employee's supervisor on the employee's return to work in order for the absence to be authorized.

16. When the University requires medical documentation, it shall be from a health practitioner licensed by the state in which he/she practices to diagnose and certify illness or disability or from an authorized representative of a recognized treatment program.

17. The University may have an employee who is claiming disability examined by a physician or physicians of its choosing, in accordance with Article __, Leaves of Absence. The University shall pay the reasonable costs of any such medical examination and may send the employee to a physician of its choosing.

18. An employee may be denied the ability to use his/her accrued sick leave when the employee is absent due to illness when the University has determined that his/her repeated use of sick leave is abusive, and has given to the employee prior written notice that accrued sick leave use may be denied on future instances of illness.

WORK-INCURRED INJURY OR ILLNESS

A. GENERAL PROVISIONS

An employee unable to perform the normal duties of her/his job due to a work-incurred illness or injury compensable under the California Workers' Compensation Act are eligible to use sick leave and vacation as provided herein. When sick leave is exhausted and when employees are still unable to work because of such illness or injury, employees may use extended sick leave or leave without pay as provided below. An approved leave of absence for work-incurred illnesses or injuries shall not be considered a break in service.

B. RETURN FROM WORK-INCURRED INJURY OR ILLNESS LEAVE

When possible, an employee granted a Work-Incurred Injury or Illness Leave must provide the University with 30 days notice of his/her ability to return to work. Upon receipt of the release to return to work, the University shall either reinstate the employee to the same or a similar position in the same department or will determine what accommodation, if any, will be reasonably provided upon expiration of the leave. If the position held has been abolished during the leave, the employee shall be afforded the same considerations which would have been afforded had that employee been on pay status when the position was abolished.

USE OF SICK LEAVE AND VACATION

1. An employee who accumulates sick leave and vacation shall be permitted to use accumulated sick leave and vacation to supplement temporary disability payments received under the California Workers' Compensation Act.
2. Sick leave and vacation payments shall be the difference between the amount payable to the employee under the Workers' Compensation Act and the Employee's regular salary.
3. The additional payment made to an employee to provide the employee with full salary prior to receipt of disability payments shall be deemed an advance temporary disability payment within the Workers' Compensation Act. An employee who receives an advance temporary disability payment shall reimburse the University for such payment. The reimbursement is used to restore the proportionate sick leave and vacation credit as appropriate.

C. EXTENDED SICK LEAVE

1. An employee who is receiving temporary disability payments on account of a work-related injury or illness and who has exhausted all accumulated sick leave shall receive extended sick leave payments from the University in an amount equal to the difference between payments from Workers' Compensation and 80% of basic salary plus any shift differential which the employee would have received. If such employee returns to part-time University duties, the earnings plus any temporary disability payments, if less than 80% of basic salary plus shift differential, shall be supplemented to 80% by extended sick leave payments, provided the employee continues to be medically authorized for Workers' Compensation temporary disability. Total extended sick leave payments shall not exceed 26 weeks for any one injury or illness.

2. An eligible employee who does not have sufficient accumulated sick leave to cover the three calendar days' waiting period for receiving Workers' Compensation payments shall receive extended sick leave payment to cover any part of the waiting period not covered by sick leave. Payment shall be made only after determination that the injury or illness is compensable under Workers' Compensation.

3. An employee who elects not to use all sick leave is not eligible for extended sick leave benefits.

D. EFFECT ON OTHER CONTRACT PROVISIONS

1. An employee who is receiving temporary disability payments and supplemental sick leave or vacation as provided in §C., above, is considered on regular pay status for all purposes except completion of the probationary period. Sick leave and vacation accumulated during this period may be used as soon as they are accumulated.

2. An employee who is receiving temporary disability payments and extended sick leave benefits as provided in §D., above, is considered to be on regular pay status for all purposes except completion of the probationary period. However, sick leave and vacation accumulated during this period is credited to the employee only upon return to work. If an employee separates from University employment without returning to work, the employee shall be paid for vacation for the period the employee received extended sick leave payment.

3. An employee on leave without pay and receiving temporary disability payments accumulates sick leave and vacation on the same basis as if regularly employed, but such accumulation is credited to the Employee only upon return to work. If the employee separates from University employment without returning to work, no payment shall be made for such vacation credit.

4. An employee shall not use vacation, sick leave, or extended sick leave to supplement Workers' Compensation payments beyond a predetermined date of separation or leave

without pay. Any vacation credit remaining on the date of separation shall be paid on a lump-sum basis.

E. LIGHT DUTY PROGRAM

Subject to operational considerations and budgetary constraints, the University will endeavor, on a case-by-case- basis, to modify duties consistent with documented medical restrictions, for employees who have experienced work related injuries. This section shall not be construed as a guarantee of a specific form of accommodation nor shall accommodation in one case establish a precedent for similar or dissimilar circumstances.
