

Amendment to Article VI: Officers & Elections

Section 2. Each chartered campus local and UPTE-CWA Retirees Association shall be entitled to one Executive Board member, plus one additional Executive Board member per campus local for every one thousand (1,000) members of such campus local, to be elected as follows:

- a. Executive Board members shall be selected from among the eligible members employed on such campus or facility and elected in accordance with Appendix B of this Constitution (for Retirees Association see Article XII, Section 3f). ~~In election years, campus local delegation chairs shall bring to the convention a certification from the local president and secretary attesting to the election of the Executive Board member.~~
- b. Beginning with the 2023 UPTE CWA 9119 election, Executive Board members will serve three (3) year terms and will be elected by members of their campus local or Retirees Association in the same election as UPTE CWA 9119 Officers, regardless of the date of their most recent election, except as provided in Subsection d. below.
- c. Beginning with the 2022 UPTE CWA 9119 Convention, the number of additional Executive Board members each campus local is entitled to, if any, will be adjusted at the time of the UPTE CWA 9119 Convention, based on such campus local's membership as calculated for the purposes of representation at such Convention, per Article V Section 5.
- d. If a campus local becomes entitled to an additional Executive Board member a year or more from the next regularly scheduled UPTE CWA 9119 election, the initial election process for any additional Executive Board members will begin within 60 days. These members will serve an abbreviated term that will last until the next regularly scheduled UPTE CWA 9119 election.
- e. If a campus local becomes entitled to an additional Executive Board member less than a year from the next regularly scheduled UPTE CWA 9119 election, such additional Executive Board member will be elected in the next regularly scheduled UPTE CWA 9119 election.
- f. If a campus local's Executive Board member entitlement is reduced based on the number of members in such campus local per Subsection c. above, all current Executive Board members for such campus local shall serve the remainder of their terms.
- g. For campus locals with more than one Executive Board member, candidates for Executive Board member will be ranked in order of the highest votes to the lowest, with the winners being those candidates with the highest number of votes.
